NEWSLETTER

APRIL, 1991

Your Board extends a warm welcome to the newly elected members of the Board. Harp Edwards, Dave Kratofil, and Warren Lasley. Thanks to Doug Storm for the many hours of trying to make our Crime Watch a success. We will miss you.

As reported in the last newsletter, "The Park" has been offered to the Magnolia Valley Civic Association. Joe Durante and Bud Bregman are trying to get the legal matters together. They will have a meeting with Larry DeUrso (Pursley Group) and our lawyer, Jonathan Smith, will take care of the Civic Association interest. The Association will periodically take over the maintenance. A motion at the January, 1991 General Meeting to raise the dues to \$20.00 for 1992 was approved by the General Membership. Part of this increase will be used to maintain the "Park".

Mary Detwiler would appreciate being informed when new residents move in. This year Mary will update, from time to time, a page of deletions and additions to keep our Directory accurate.

Tom Rusch and his Block Captains do a great job of getting things done. With this in mind, having a back-up Captain in each area makes all jobs easier. Why not take your Block Captains assignment when he or she is unable to do it. Contact your Block Captain or Tom Rusch at 849-4689.

A reminder: 1991 Dues are payable now!!

Our entrances are being taken care of very nicely. Thanks to the effort and time of concerned Magnolia Valley residents.

Ray Clifford reports the "Presidents Ball" on April 27, 1991. \$12.50 per person and single Magnolia Valley Civic Association members may bring a guest. Tickets are still available and seating arrangements may be made. Call Harp Edwards at 847-9277. The menu is Chicken and Beef, Ziti, Baked Potato, Green Beans, Salad, Dessert, and Beverage.

Spring-Time-In-The-Park is Saturday, May 25, 1991. Paid up members of the Civic Association only. There will be Free Beer, Soft Drinks, Horse-shoes, Bocci, and Water Balloons. Bring your own food, table settings, tables, and chairs. A Barbecue Pit will be available. Come enjoy an afternoon with your fellow Civic Association members.

Remember a "Nosey Neighbor" helps stop crime.

Fire Service Poll Results

In five areas of west and central Pasco County the property owners strongly oppose the idea of the county assuming responsibility for fire protection in their areas. Support for the volunteers was strongest in Magnolia Valley where property owners rejected the county's proposal by almost a 6-to-1 margin.
