LETTER TO THE EDITOR

Magnolia Valley Residents,

Over the past two years I have been involved with the Newsletter coordinating the distribution to the Area Captains and Block Captains and want to thank those who participated and who are still active in distribution.

The task isn't difficult, but does take a little of your time. It also provides a way of meeting your neighbors. While distributing the newsletter, I've met some very nice people. If you are interested in volunteering to deliver on a regular basis, or be a substitute please contact Stella Scerbo. Substitutes are especially needed during the summer months, since some of these wonderful people spend several months (summer) away from FL.

Each home in Magnolia Valley receives a newsletter, whether or not you pay \$25 for the association fee. Those contributions play an important part of paying for common area's to be mowed and printing the Newsletter. So be a good neighbor and please pay the fee in order to benefit the community.

Thank You Area Captains and Block Captains for being so involved in delivering the Newsletter.

Sincerely,

Charlotte W. Dase
