SEASONS GREETINGS

December, 1991

Newsletter

Association Officers and Board Members wish one and all a Healthy and Happy year ahead. Our Valley is a glow with many residents taking the time to display the wonderful magic of lighting the darkness - this brings hope and cheer to all. There is pride and awareness of the community we live in. Your officers and Board members work hard to keep these ideals possible for one and all. Support your Association - much has been accomplished and many more good things will happen.

At the November 26th monthly meeting an "Appreciation Party" was held for the Block Captains. Sheriff Gillium was present and urged all to be especially watchful thru the "Holidays". Open garage doors lead to vandalism and pilferage. Shoppers should put purchases in the trunk of their car. Be watchful at shopping centers at night. Unmarked Sheriff cars with plain clothes police will be cruising our streets. Bud Bregman was presented with a certificate from the Sheriff Department for his work with the Security Patrol. Be a nosey neighbor, something suspicious call 848-6363. You need not give your name.

Wednesday, January 22, 1992, will be our General Meeting at St. Anne Church on Massachusetts Ave., across from Magnolia Valley Condos. Doors open at 6:30 P.M. - meeting 7:00 P.M. sharp.

1. Payment of dues \$20.00. Our Treasurer asks that payment be made by check. This will make Bob DeSantis's work much more simple.
2. Election of Officers and Board Members. Anyone wishing information or to be placed in nomination call George Wieland 848-5845 - get involved. There will be one vote per household, in accordance with "The By-Laws".
3. You will receive a copy of last year's meeting minutes, an audited Treasurer's report, and a proposed Budget for 1992.
4. Open discussion, keep it informative.
5. Again, as in the past, the Southeast Bank at the Massachusetts and Congress shopping plaza will provide refreshments.
6. Your attendance and input is important to all in the Valley. Bring a non-member with you and enjoy being with your fellow neighbor. Together we can do great things.

7. Representatives from the City of New Port Richey have been invited to come and inform us of the Sanitation Plant being removed and the course the City must take in doing so. At this time, we do not have positive acceptance of this invitation. Only written questions concerning any information you would desire to have discussed. Any Board Member will be happy to receive your request.

An oversight on the last newsletter - we did not mention our thanks to John Hairanian for his music and Larry Scarpace for his "Clown Act Routine" at our Octoberfest. Also thanks to Henry Kunz for his work on the lights at the entrance to Magnolia Valley, to Ray Clifford and his committee for the Holiday Party on November 30, 1991 (a job well done) and anyone else not mentioned who have helped our Civic Association.
