January 1997

HAPPY NEW YEAR!!

We hope everyone had a nice holiday, and the new year will be a healthful and prosperous one for all the residents of Magnolia Valley.

CONGRATULATIONS

To all the residents that decorated their homes and property for the Christmas Season. The Valley looked very festive and those of you who decorated their homes should be proud of their efforts.

LUMINARIES

What a beautiful sight on Christmas Eve. Anyone who was out and about on that evening was in for a treat. Cayuga Dr. from one end to the other was lined with luminaries. Many homes and streets had luminaries but not to such a wonderful participation as those on Cayuga. We should all remember this beautiful sight and next Christmas Eve all the residents set out luminaries. Even the weather cooperated, warm and clear with that wonderful full moon.

ELECTIONS

Where is everyone? Our nominating chairman is waiting for the telephone call from anyone wanting to be on the board of directors. I know there are always people commenting on the Civic Association, what it does or does not do. Many of you have some wonderful ideas for the Civic Association. Instead of thinking how much better the Association could do, why don't you get on the Board of Directors and give us the benefit of your expertise? There are four openings on the board. The Board only meets once a month from September through August. Even if you are a seasonal resident you can be on the Board. If interested please call our Nominating Chairman Pete Trost at 842-5995.

CANDIDATES

The slate of officers on the ballot will be:

President - Harriet Bregman
Vice-Pres. Joe Durante
Treas. Barney Knudsen
Secretary Betty Smith

Board of Directors:

Here is a brief introduction of the candidates;

Jim Jones, was appointed to fill Barney Knudsen's term when he moved to Treasurer. That term has expired and Jim is running again. He has been on the Deed Restriction Committee and recently was the head of the committee. He resides on Cumber Dr.

Anne McKenna, has served one term on the board of directors. Currently she is the Welcoming Director. She also was the Chairman of the Directory both this year and 1994. She resides on Yucca Dr.

Tom Mangan is a longtime resident of the community. He is always ready to give a helping hand when it is needed. He resides on Holly Lake Dr.

Mel Price, is a newcomer to the Valley. He is from Michigan and is anxious to become an active member of the Civic Association. He resides on Clovis Ct.

Dot Price is the wife of Mel, she is already a Block Captain for Clovis area and would like to become more involved because she has some more ideas for the association.

Bud Mueller has been a resident of the Valley for a number of years and has assisted Jay Atkian with a number of his projects.

There can be nominations from the floor for these offices.

THANKS

Homer Barnes has completed one term and was on the Deed Restriction committee and was our representative for WESPAC. Unfortunately illness has prevented him from running again. He will be missed for his dedication and thoroughness for all the projects with which he has been associated.

Dave Kratofil has been on the board for six years and would like to sit back and just give assistance to any projects that come about. He has been Park Director and general handy-man for the Association. He will be missed but hopefully still give his expertise to those who replace him.

The Magnolia Valley Civic Association works actively for the benefit of owners and residents to promote conditions that will maintain an attractive community and encourage upgraded property values. The support and continued membership of you and your neighbor is essential for the successful operation of your association.

CRAFTERS WANTED:

There are a lot of "crafty" people living here in Magnolia Valley. Would you be interested in having a craft or quilting group? If so, please call Dot Price, at 847-0097 and she will be happy to organize one.

MAGNOLIA VALLEY WOMEN'S CLUB NEWS

The March 4, 1997 luncheon will honor all the Past and Present Presidents. This is always a very special occasion and all the club members should plan to attend.
