HI! from your Officers and Board Members of the Magnolia Valley Civic Association. Vacation time is with us again, but your Association will still be doing their assigned tasks.

We appreciate the "Road Crew" of Pasco County coming thru and filling most of our dreaded "Pot-holes". When you notice these fellows working on our streets, a "honk of the horn" or a "friendly wave" will show our appreciation of what is being done.

TRASH must be placed at the curb the A.M. of pick-up. Placing barrels and bags out a day ahead of time is in violation of our "Deed Restrictions". However, the "BLUE RECYCLING BAGS" may be placed out on Friday night to accommodate the early pick-up. Your cooperation on this is EXPECTED.

BE A WATCH FULL NEIGHBOR! Many homes will be vacant for awhile during the summer months. Be concerned when persons not known to you are near the unoccupied home. You may call the Sheriff's Office 844-7711; you need not give your name. A description of the person, car, license number or any other information is all they need. This is one way, VANDALISM can be stopped.

A THANK YOU to all Area and Block Captains for the GOOD WORK done on gathering the information for our new Directory. We greatly appreciate the hours of work Anne McKenna and Harriet Bregman have given for this project. THE DIRECTORY WILL BE GIVEN TO PAID UP MEMBERS ONLY.
