The STREETS of our Valley are a great concern to all. As stated in earlier Newsletters the probability of redoing the streets is at the discretion of home owners on their given block. A discussion on this matter will be on the agenda at our January 16, 1995 General Meeting. Any questions you may have concerning the streets should be submitted in writing and given to any Officer, Board Member, or Block Captain. This will assist those in charge of details an opportunity to give your questions proper attention before the meeting.

The Civic Association Golf and New Year Eve's Party will be chaired by Bud Bregman (848-6397). Plans are in the works and 100 persons are needed to make this a success. Make your reservations early. Remember all Magnolia Valley Civic Association members are welcome. All invited guests of members can not be a resident of the Valley.

Motorists, please obey our Speed limit. There are more small children in the Valley and speeding may lead to a situation none of us would like. Also, when approaching Magnolia Valley Drive from Raintree Drive to use proper driving etiquette. Slow down and be sure to keep to the right when making the left turn. Violaters' license number will be turned over to the Sheriff's Dept. THE VALLEY should not be made a "SPEEDWAY".
