Back To School News!

As children return to schools many safety concerns seem to be forgotten. Children waiting at bus stops are playing in streets, in other peoples yards, destroying property, littering and having a total disregard for neighboring properties and traffic.

To make matters worst the adults at the bus stops stand idly by and watch this happen without stopping or educating the children that what they are doing is unacceptable and disrespectful behavior.

Parents park in other residents driveways or lawns without permission waiting with their children for the bus. Children hang out on other residents front porches without permission. Bus stops have been moved to new locations because of the many complaints.

Some children walk to school taking shot cuts through other residents private property along Cayuga Dr. and climb over or tear down fences that divide properties that are in their path. These fences are there for a reason, to keep people out! Parents will be held responsible for their childs actions when they trespass or vandalize private property.

As a parent – please talk to your children and find out what they are doing while they wait for the bus or on their way to school and the route they take before it is too late. Remember you may have a good boy or girl but when they hang out with the bad boys and girls they will go down with them. Keep your kids safe and out of trouble.

We have received several reports of people breaking into cars throughout Magnolia Valley in the early morning hours. We ask that you be aware of what's going on around your home and surrounding neighbors, especially in the evening and early morning hours when most of these incidents have occurred.

Reports have showed kids roaming the neighborhood after curfew hours breaking into cars and knocking down mail boxes. Your home is your biggest investment, if you see anything that looks suspicious please contact the police at the non-emergency number 727-844-7711.
