

Are you a new resident in Magnolia Valley? If you have not received a welcome call and would like more information on our area or the Civic Association, please call: Dot Price 847-0097 or Harriet Prager, 849-0093.

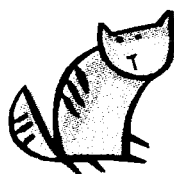

The Magnolia Valley Civic Association is planning a new directory for 2002-2004. It will be distributed to all Civic Association members and will replace the 1999 directory. If you wish to be in the new directory, please call 849-4908 and leave your name, address and phone number. You may also send this information to 7602 Cumber Dr. NPR. Long time residents, if you have any changes or know of any changes please send the information to the above.

About the vandalism signs; We do not have a lot of vandalism. In reading the Crime Report in the Suncoast News. There have been

none in our zip code area. The signs were placed due to some vandalism this past summer to the golf course and our immediate area.

Those of you who have complained about them, they are up for a 2 -3 month time, and will be coming down soon.

But they have proven to be quite effective.

Cats,Cats,Cats

The Association has access to a legally approved Cat Trap. The cats are not harmed—in fact they seem to like it. It's somewhat like a feline jail sentence. They get water and food - and an attorney (Cat Advocate) for free. The jailed cats are given to a loving home. You may be a part of this process if you call 849-4908.

Lights at the entrances:

By the time this newsletter reaches you, the lights at the entrances should be on during evening hours. It has been a long drawn out

process to secure county approval, get the electrical connections installed and obtain the electrical company's final OK. The process is completed, the lights are on timers and there are connection for other decorative lights. Our President Stewart Whitmarsh put many hours on the phone and computer to finally complete this project.

The vines that were planted on the fence were watered daily throughout the drought, but unfortunately were killed by weed killer applied by either the county or someone employed by them,when trying to take care of the retention pond behind the fence. Hopefully, we will get assistance in replacing the plants and disguising the ugly fence which detracts from our beautiful wall.
